1. Financial assistance shall be awarded only on the basis of financial need. The purpose of private lesson scholarships is to enhance a musician's music skills.
2. Financial assistance applications should be submitted separately for each season. However, multiple family members may be included on the same application.
3. Award amounts will only be used as tuition for private lessons.
4. Scholarships will be awarded with the ultimate number of awards subject only to budgetary limitations. Applications will be subject to the blind application approval of the OYS Board of Directors.
5. Financial need will be determined through review of the Financial Need Application. A copy of your W2 form and previous year's tax return is required for consideration.
6. It is expected that by accepting a financial assistance scholarship, musicians will keep their commitment to the orchestra for the season and that the parents/family will volunteer to help with orchestra events.
7. Tuition Assistance Scholarship recipients are strongly encouraged to write a thank you letter to one of the donors that made the tuition assistance possible.
