Oshkosh Youth Symphony, Inc. Tuition Assistance Information

1. Financial assistance shall be awarded only on the basis of financial need. The purpose of tuition scholarships is to make the OYS, Inc. orchestras accessible to as many students as possible, regardless of financial ability.
2. Financial assistance applications should be submitted separately for each season. However, multiple family members may be included on the same application.
3. Award amounts will only be used as tuition for the Oshkosh Youth Symphony Orchestras.
4. **Scholarships will be awarded with the ultimate number of awards subject only to budgetary limitations.** Applications will be subject to the blind application approval of the OYS Board of Directors.
5. Financial need will be determined through review of the Financial Need Application. A copy of your W2 form and previous year's tax return are required for consideration.
6. **All applications must be submitted by or before the time of registration on September 8, 2024. Applicants will be notified, in writing, the amount awarded. At that time, any remaining tuition amount will be scheduled for payment.**
7. It is expected that by accepting a financial assistance scholarship, musicians will keep their commitment to the orchestra for the season and that the parents/family will volunteer to help with orchestra events.
8. Tuition Assistance Scholarship recipients are strongly encouraged to write a thank you letter to one of the donors that made the tuition assistance possible.
